

# Benefits for Donors :

People who lend us their assistance in various ways are the people who are recognized by Siriraj Hospital due to their charitable donation of money, goods, land or other properties and blood to benefit Siriraj's activities. Those people can be divided as follows:

1. Ordinary donor is the donor who donates an amount of money between 100,000 baht and 400,000 baht or donates blood at least 10 times but less than 30 times.
2. Special donor is the donor who donates an amount of money between 400,000 baht and 1,000,000 baht or donates blood at least 30 times but less than 50 times.
3. Honorary donor is the donor who donates an amount of money between 1,000,000 baht and 3,000,000 baht or donates blood at least 50 times and up.
4. Special honorary donor is the donor who donates an amount of money from 3,000,000 baht and up.
5. Additional donor is the family of an honorary donor and special honorary donor which comprises parents, spouse and all legal children under the age of 20 years.

Remark: The donor can claim the benefits 45 days after the donation has been made.

## **Donors to Siriraj Hospital will receive the following benefit:**

1. The donor can put in a request for the decoration

The Faculty of Medicine Siriraj Hospital will ask royal permission for royal decoration of the donor who donates money or property to the Faculty valued 1,500,000 baht and up. The regulations of asking for royal decoration in accordance with the office of the Prime Minister are as follows:

1. The name printed in the receipt has to be the same name as that of the person who asks for royal decoration.

2. A receipt issued in a company name cannot be used to ask for royal decoration.

3. The evidence of donation used to ask for royal decoration has to be the original and if you have presented it for receiving royal decoration, you cannot use it again.

## 2. Exemption from treatment cost

Part of the treatment costs will be waived for the donors according to the amount donated (see above) The term “treatment costs” comprises the money which the Faculty of Medicine Siriraj Hospital collects for the treatment service but excludes the treatment costs in the after-office-hour clinic, special nurse fees, artificial organs, equipment for treatments, special examinations which need to be done outside of Siriraj Hospital and other expenses such as telephone bills, electricity costs, drinking water, etc.

## 3. Engraving of their name
